

C. COOPERATION WITH THE PROFESSIONAL COMMUNITY (CPC):

Members of C.P.C. committees inform professionals and future professionals about A.A.— what we are, where we are, what we can do, and what we cannot do. They attempt to establish better communication between A.A.s and professionals, and to find simple, effective ways of cooperating without affiliating. The CPC service workbook has standard letters which can be sent to the following professionals: Attorneys, Doctors, Clergy, Counselors and Educators. The previous CPC chair can explain what contacts have been made and indicate if literature racks in the community are being stocked by the CPC committee.

QUALIFICATIONS:

- Suggested sobriety of 2 years

DUTIES:

- Purchase from GSO, read & use the CPC service workbook. District 13 Literature can purchase, or the CPC chair can be reimbursed
- Complete the CPC Chairperson update to GSO so you will receive Box 459. This reference has many good ideas for CPC projects
- Obtain or compile a list of professionals, by group, within the district. The previous CPC chair may have one which needs updating, or use the yellow pages or professional organizations to create a new list
- A mass mailing is typically done at the first quarter and third quarter of the year, one group of professionals at a time. A 20% response rate is typical on this project. Experience has brought contacts through physicians and attorneys. There should be literature racks set up for the school systems and medical facilities.
- Maintain contact with the Area 24 CPC Committee Chair, serve on that committee and attend CPC workshops at the Spring & Fall Conferences and Service Weekend
- Attend all District 13 meetings and provide a written report of CPC activities to District Secretary.
