

**H. PUBLIC INFORMATION (PI):** Like all of A.A., the primary purpose of members involved with Public Information service is to carry the A.A. message to the alcoholic who still suffers. Working together, members of local Public Information committees convey A.A. information to the general public through activities such as giving A.A. information talks at schools and civic organization meetings, providing A.A. literature to schools and offices, and ensuring local media have accurate information and providing them with A.A. public service announcements. Our purpose is to carry the message of AA to the alcoholic who still suffers. The PI committee achieves this in 3 ways:

1. Disseminate relevant AA information to interested members of the general public
2. Through reaching the “3<sup>rd</sup> person”, who may know someone with an alcohol problem
3. Through expanding the knowledge of our fellowship about AA
